ST JOSEPH COLLEGE OF ARTS AND COMMERCE

POLICY DOCUMENT OF GREEN CAMPUS

Context

Our college visualizes Green Campus as a place where environmentally friendly practices and education combine to promote sustainable and eco-friendly practices. The Institute also promotes clean and green campus through adopting, practicing and promoting environmentally friendly practices among students and staff.

St. Joseph college is located in coastal area. So, with its lush greenery it also come up with some natural drawbacks. The college is situation in just 2 k m from Arabian Sea, Due to this the water and land in this area is also saline. At such times, Green Campus is an important initiative.

Composition of the Go- Green Committee

1. Dr. Clementine Rebello – Incharge
2. Mrs. Santonshi Vaze -Member
3. Asst Prof. Dora Rodrigues -Member

Objectives of the Policy

1. To Create Awareness about environmental issues among students and staff.
2. To encourage students to keep environment clean.
3. To motivate students to adopt environment friendly practices

Green Policy of college

- Staff and students shall plant and adopt one tree. They will also water the plant and take care of that plant.
- Medicinal plant exhibition is organized to create awareness. Also, some medicinal plants are planted in the campus.
- No vehicle day celebration in the college as a small contribution to reduce worlds pollution and protect mother earth.
- Celebration of “No Plastic Week” to discourage student and staff from using plastic instead motivate them to use cloth bag.
- Rain harvesting to reduce saltiness of ground water.

Future plan:

- Build water tank up to the capacity of one lakh ltr. For watering the plant.
- Landscaping to improve aesthetic view of college and to look the campus green.
