Programme Outcome

- Academic Excellence : Sound knowledge of the courses studied.
- The course enables the learners to obtain knowledge and skills needed to assume functions and positions in a broader way.
- It also helps to understand how the organizations work and are managed.
- The program also directs the learners in aspiring for becoming future high performing leaders and managers capable of enduring the challenges and rigors of the global marketplace.
- It helps in creating better job opportunities for the aspirants/learners.
- Being an institution operating in the rural area, it strives to provide with the three necessary specializations required for the overall enhancement of BMS learners in the following category: HR, Finance, Marketing

Best Practices

- Constructive and regular workshops and seminars
- Campus placement in renowned companies
- Preference to BMS students for MCOM in Management
- Use of ICT tools & techniques for learners
- Maximum opportunities for overall personal and professional development
- Industrial Visits
- Induction program
- URMI-Management event
- Instilling morals & values

USP

1

Students from all faculties like arts, commerce, science can take admissions for BMS Programme

2

Our department offers all three specializations in HR, Marketing and Finance

3

Mock interviews for TY Students

Future Plans

To nurture the Entrepreneurial spirit of management students

URMI-Management event to be organised at intercollegiate level

To increase Industry-Academic interactions

Thanks!
