2

Programme Outcomes

3

FYBA (CS) Programme Outcomes:

1. The learners will learn to understand and interpret any text they are reading from different perspectives 2. The interest of learners in listening to and watching good quality audio and visual media will be aroused. 3. Learners will acquire proficiency in the skills of listening, speaking, reading and writing that will help them meet the challenges of the world. 4. The learners will develop good oral and written skills of communication in the English Language.

FYBCOM (BC) Programme Outcomes:

After successful completion of the course the learner should be able to enhance his Listening, Speaking, Reading and Writing skills to meet the challenges of the world.

SYBA/ SYBCOM (FC) Programme Outcomes:

This subject acquaints students on issues relating to human rights, disasters, science and development and developing soft skills. A good knowledge of the subject will throw light on human rights violation as well as issues relating to environmental degradation. The students will also acquaint themselves with the technological developments and their relevance in their day to day life.
