Title:- Report on career counselling on MMS

Name of the Dept. organising: - Self Finance Section and Career Katta

Time:- 10.00 am

Venue:- Seminar Hall

Highlights of the Event: -

A highly insightful career counseling session on the Master of Management Studies (MMS) program was conducted, organized by the Self-Finance Section in collaboration with Career Katta. The session aimed to provide students with guidance on the significance of higher education and the benefits of pursuing professional degrees like MMS/MBA for career advancement in the dynamic business world.

The session was led by two esteemed resource persons:

1. Dr. Prapti Naik, an experienced academician and career counselor, who discussed the evolving landscape of higher education and the global demand for managerial professionals.
2. Prof. Kadambari Agaskar, who highlighted the relevance of MMS/MBA programs, detailing how these courses equip students with leadership, analytical, and problem-solving skills critical for success in various industries.

The resource persons elaborated on the structure and scope of MMS, its alignment with market needs, and the career opportunities it offers across sectors such as finance, marketing, operations, and human resources. They also addressed queries from the students, offering personalized advice and motivation to help them make informed career decisions.

The event's success was made possible by the collaborative efforts of several individuals and teams. The organizers expressed their gratitude to:

-Asst. Prof Alisha Tuscano, whose unwavering support was instrumental in bringing this initiative to fruition.

- Dr. Salim Memon, who provided technical assistance and helped manage the event's logistics efficiently.

Conclusion:

The session successfully met its objectives by equipping students with valuable insights into higher education and career planning. It underscored the importance of professional education in shaping successful careers and motivated participants to explore opportunities in management studies.

No. of participants: - Total of 67 students actively participated.
