Brief report on Workshop on “Youth and Entrepreneurship.”

Dnyandeep Mandal's St. Joseph Senior College, Satpala, organized a workshop on “Youth and Entrepreneurship” on 28 January 2026 at 9:30 a.m. under the Internal Quality Assurance Cell (IQAC), jointly by the Rural Development Department and the National Service Scheme (NSS) Unit. The workshop was organized for students, parents, and members of the surrounding community to promote entrepreneurial awareness and self-employment.

The program began with a warm welcome to the resource persons, Mrs. Deepa Raut and Mr. Naik. Mrs. Deepa Raut, an MSME expert and national- and international-level guide for small and micro entrepreneurs, delivered an informative session on government schemes for entrepreneurs, startup procedures, and opportunities available for youth in the MSME sector. She explained the importance of innovation, skill development, and financial planning in building successful enterprises.

The workshop witnessed active participation from students, parents, and local residents. Participants were advised on the required documents, such as the Aadhaar Card, caste certificate, and educational certificates, to access various schemes. The interactive question-and-answer session helped clear doubts and enhanced understanding.
